When I arrived at the above corner I met David Mendelson of 609 Madison Ave. City, who stated to me that while he was driving his car a Chevrolet Coupe Factory 2-26917 N.J. north on Sycamore Ave. one hundred feet north of West Front St. a pole about 30 feet long used as a guide or support for a pole opposite it on the west side of Sycamore Ave. suddenly fell over striking the top of his Coupe, at glancing blow.
